

Caught - Sentenced - Death

Just break!!!

Just sit down
On this electric chair
Your last round
I laugh, are you prepared?
Raped child found
Count down
To late
To late to pray...

Now it is time for you to die
No one will cry for you
For your victims you had killed
Caught – sentenced – death
You want more?

Do not move
This injection is for you
Feel the groove
How poison running through
Murderous deeds
Count down
To late
To late to pray...

(To late to pray) 4x

My own vision
That`s justice in my eyes
Goes to all
I`ll get you to execute
No more mercy
Count down
To late
To late to pray...

Now it is time for you to die
No one will cry for you
For your victims you had killed
Caught – sentenced – death

I can`t understand – what`s happening to me
Why you – hurt me
Tell me
WHYYYYYYYYYYYYYYY?
You beat me into – my face my soul
When you left those wounds
Tell me
WHYYYYYYYYYYYYYYY?

Tell me – WHYYYYYYYYY?

Now it is time for you to die
No one will cry for you
For your victims you had killed
Caught – sentenced – death

THAT`S FOR YOU!!!!
