

# One set go

Come see the old man's flow  
Face reasons why hate grow  
Dismissed all idiots in a row  
Don't lead me through your land  
Your mind was trapped in wonderland  
Perfection turns to hell  
I...will...Survive  
Inside this motherfucking shit  
It all drains hit by hit  
Follow my footsteps in the sand

**One set go**  
**You cannot end this**  
**One man show**  
**Hear me?**  
**One set go**  
**You cannot end this**  
**One man show**  
**Hear me**

One day he will be alone  
Last Letters on his stone  
Written in blood he's done  
His Name is lost in tales  
His Human Nature failed  
His mind is locked in hell  
His...door...is locked  
Nobody hear his screams  
Nobody has bad dreams  
Turning the page is done

**One set go**  
**You cannot end this**  
**One man show**  
**Hear me?**  
**One set go**  
**You cannot end this**  
**One man show**  
**Hear me**

You cannot end this one man show  
You cannot end this one man show  
You cannot end this one man show  
You cannot end this one man show  
You cannot end this one man show

One man show  
One man show

**One set go**  
**You cannot end this**  
**One man show**  
**Hear me?**  
**One set go**  
**You cannot end this**  
**One man show**  
**Hear me**

NO!!!
