

Right here

Acception – I wait for
The violence – create`s my own view
I want to be – I have to be – I need to be
I want to...
Excuse me – seduce me
Destructed – by the great golden hands
You want to be – You have to be – you need to be
I want to...

Right here – I stay
No way – lead me through
Right here – I stay
No way - lead me through
Right here - lead me trough you

Tolerance – if you need me
Expressions – sounds like my voice
I want to say – I have to say – I need to say
I say that...
Performance – to break through
Stand still like – the time works for me
I just stand still – I can break trough – I work for time
I will be...

Right here – I stay
No way – lead me through
Right here – I stay
No way - lead me through
Right here - lead me trough you

Come and make sick
Come and make me hurt
Come and make me sick
I`m hurt
Come make me sick
Come make me hurt
Come make me sick

Beware...!
Don`t stare...!
At me...!

Beware...!
Don`t stare...!
At me...!

I – want – to...
I want to...
I want to...
I want to...
I want to – I want to... STAY!!!

Right here – I stay
No way – lead me through...
Right here – I stay
No way - lead me through you
Right here – lead me trough you

Lead me through...!
