

## Let `em pay

This is when I got my **soul smash concrete**  
Is it what I got is it what I need?  
Please come round and beat my **ass up to keep**  
This is what I want this is what I ...  
**Serve me** bones  
**Suck my** bong

Please complete all pieces **one set one row**  
Is it what I got is it what I need?  
You can't change my person **holding me so low**  
This is what I want this is what I ...

Ass up - Come and face the day  
**Ass up**  
When I start to let `em pay  
**Get your ass up**

Come and serve my soul to **mankind all blind**  
Is what I got is it what I need?  
In your eyes I can see **painful madness**  
This is what I want this is what I ...  
**Serve me** bones  
**Suck my** bong

This is war create in **my hate my will**  
Is it what I got is it what I need?  
Is it hard to face that **you can't pay this bill**  
This is what I want this is what I ...

Ass up - Come and face the day  
**Ass up**  
When I start to let `em pay  
**Get your ass up**
