WAKE UP...

Wake up – before it's to late  
Wake up – before I rise  
Wake up – before it's to late  
You got this chance so wake up...

This thing – I create  
Goes face - to face  
Don't be there - to late  
You got this chance so wake up

Just wake up - WAKE UP  
Before I rise  
Just wake up face this monster  
Just wake up – WAKE UP  
Before I rise  
Just wake up that's because I...  
RISE...RISE...RISE...WAKE THE FUCK UP  
RISE...RISE...RISE...WAKE THE FUCK UP

RISE...

Wake up – before it's to late  
Wake up – before I rise  
Wake up – before it's to late  
You got this chance so wake up...

This time – it's hate  
Because – you're to late  
Nothing more - to trade  
You had your chance don't wake up

Don't wake up – WAKE UP  
Because I rised  
Don't wake up face this monster  
Don't wake up – WAKE UP  
Because I rised  
Don't wake up that's because I...  
RISED...RISED...RISED...WAKE THE FUCK UP  
RISED...RISED...RISED...WAKE THE FUCK UP

THAT'S BECAUSE I RISED...
