

Never again

You got me now
You got me now but there is one thing
There is one reason I found
The reason I found bring`s you down to
Ne-ver-ending - fall this time
While-I-Stand-face your last day!

Never again - you got me – NEVER AGAIN!
Never again – NEVER AGAIN!
Somebody want`s to be
Somebody have to see
Never again – NEVER AGAIN!

You got me down
You got me down but there is a second thing
There are more things I found
More things I found from your past life
Bring`s you – down – to – fall this time
Your last call – Face your last day!

Never again - you got me – NEVER AGAIN!
Never again – NEVER AGAIN!
Somebody want`s to be
Somebody have to see
Never again – NEVER AGAIN!

WE CHECK ON LIE!

SO...?

LIE...?

Never again - you got me – NEVER AGAIN!
Never again – NEVER AGAIN!
Somebody want`s to be
Somebody have to see
Never again – NEVER AGAIN!
