

Down to blow

DOWN...YEAH!

One last time denied my being
Still awaken - still can't sleep
No – more – again
It burn`s every single time now
Still awaken concentrate on...
NOT LIKE YOU...!
Promise me in many details
Divide the lies from truth you talk
To – me – again
Offer you a second chance to
Show your real face
Get down on knees

Take my cock once to know
To turn the inside out
I`ve fucked you two times in a row
Welcome get down to blow
No – You can`t beat me
No – You can`t break me
No – So get styled - put on tights - GET DOWN TO BLOW
Down to blow
Down to blow
Down to blow – Get down to blow...

Twice a day I let you go down
For every chance you burned and
Left – behind – of you
Smell the taste of my desire
Woman`s out there I`m on fire!
NOT LIKE YOU...!
Let me live from your devoutness
Sponsored by this five to six photos
Paint your face with my expression
Get down on knees
Time to session

Take my cock once to know
To turn the inside out
I`ve fucked you two times in a row
Welcome get down to blow
No – You can`t beat me
No – You can`t break me
No – So get styled - put on tights - GET DOWN TO BLOW
Down to blow
Down to blow
Down to blow – Get down to ...

You had your chance to go down – on fuckin` knees...
If you don`t suck my cock like – I let you fall...
Your face will face the ground like – like...

Take my cock once to know
To turn the inside out
I`ve fucked you two times in a row
Welcome get down to blow
No – You can`t beat me
No – You can`t break me
No – So get styled - put on tights - GET DOWN TO ...

BRING IT ALL!!!

Down to blow
Down to blow
Down to blow
Down to blow...
