

# Climax

This is the day my girl explodes!  
This is the day to – figure it out  
This is the day to – make you proud  
This is the day to suck your tits  
Show me your ass – beware it fits

Is this the way to – make you wild  
Is this the way to – keep you smile  
This is the way to abuse my tongue  
So let me lick – until you come

**Show me the way let me explore  
Until you scream – I`am your whore  
Come take a ride into the night  
Oh let me hear – Come get inside!  
This is the day my girl explodes!**

This is the day to – scream and shout  
This is the day to – let em all out  
This is the day to kiss four lips  
Show me the road – until eclipse

Is this the way to – turn you on  
Is this the way to – discover your own  
This is the way so open your cribs  
I smell your love – I lick your tits

**Show me the way let me explore  
Until you scream – I`am your whore  
Come take a ride into the night  
Oh let me hear – Come get inside!  
This is the day my girl...**

This is the way to – inspire your lust  
This is the way to – get in you fast  
This is the day you melt like wax  
I found a way – to your Climax

**Show me the way let me explore  
Until you scream – I`am your whore  
Come take a ride into the night  
Oh let me hear – Come get inside!
