

This World

This world is strange
So you look for another
Inside your mind
You will find the other

And just in your world
You maybe find
No one another
Your dream`s come true
Get real through you
Just in your dreams

*This World – this world
You want have another
This World – this world
You want have another*

*Inside of me but no one is there
Come in my world and just take care
Inside of me but no one is there
And this is my world*

Real life to cold
So make yourself another
Your trust in you
You won`t have the real one

And just to survive
Your real life
You have built another
This time it`s true
It break`s through you
The real world borders

*This World – this world
You want have another
This World – this world
You want have another*

*Inside of me but no one is there
Come in my world and just take care
Inside of me but no one is there
And this is my world*

*This World – this world
You want have another
This World – this world
You want have another*

*Inside of me but no one is there
Come in my world and just take care
Inside of me but no one is there
And this is my world*

Jump the fuck up!!!

*Welcome – to my world (4x)
WELCOME TO MY WORLD!!!*
