

Pain is?

Pain!!!

This Pain is mine in real life
Inside of me but no one is there
Inside my mind – my heart – my soul
The time runs out
So where to – go...

This pain is – mine
In real – life
This pain is – mine
In real – life

This time it`s real why don`t you there
Inside of me but no one just care
Inside my mind – my heart – my soul
The time runs out
So where to – go...

This pain is – mine
In real – life
This pain is – mine
In real – life

This pain is – mine
In real – life
This pain is – mine
In real – life

And this pain is mine
Alive!!!
This Pain...
Pain!!!
Stop!!!
