

# Pray for a god

*PRAY...!*

Nameless it`s  
Nameless this time  
Nameless it`s  
God and still so pride

*You thought...*

Faceless it`s  
Faceless this time  
Faceless it`s  
God has loose his pride

**I pray for a god – that surrounds me  
I pray for a god – be awake**

Cruelless it`s  
Cruelless this time  
Cruelless it`s  
God won`t stop the war

*You thought...*

Careless it`s  
Careless this time  
Careless it`s  
God has closed his door

**I pray for a god – that surrounds me  
I pray for a god – be awake**

*Let`s go...*

Pray for...  
Why don`t you stop the war  
Pray for...  
Why don`t you stop terror  
Pray for...  
Don`t you care anymore  
Pray for...a god!!!

**I pray for a god – that surrounds me  
I pray for a god – be awake**

*Pray...  
Pray...  
Pray...  
Pray...*
